Dear Esteemed Parents/Guardian,

Sir/ Madam,

Hope by the Grace of Almighty, all of you are safe and secured. In this challenging time, the need of understanding and co-operation are essential to cope-up with the adversities of COVID 19.

Thus, on visualising the scenario, the School Management has decided to *grant promotion* to all its students to their respective higher classes, even if the students fail to appear in the annual examination 2020.

The management owes you a lot for your unstinted support for online classes and examinations, conducted only for the well being of your ward/wards. It is our conviction that the regular classes irrespective of all sections will be in full swing in the days to come. But for the development of your ward/wards in this intervening period on-line classes, will be conducted, keeping in mind that the students should not suffer at any circumstances.
